# Mechanic / Plant Fitter Vacancy

Dublin Road, Ballybrittas, Co Laois

Apply with CV to [michelle.martin@ecovolve.eu](mailto:michelle.martin@ecovolve.eu) or

## **Company description**

Ecovolve is a unique Irish based business that specialises in compact electrical/green ecoplant machinery. After a detailed design and development process the company launched the world's first high tip electric dumper in 2015, which it exports worldwide. Our award-winning products are eco-friendly, Smart Charging, Low Noise, Zero Emissions construction plant solutions.

## **Job description**

Duties will include servicing machines on-site and in the workshop.

The candidate must be able to work on their own initiative, be excellent at coordinating their schedule, and have strong communication skills.

## **Duties and Responsibilities of the Mechanic/Plant Fitter:**

- Maintain and servicing of all electrical plant equipment, including diggers, dumpers, teleporters, floor saws, conveyors and attachments etc
- Ability to work under pressure and to deadlines.
- Proven ability to work without supervision, using your own initiative, or within a team

## **Role Requirements:**

- Experience - Minimum One Year Plant Fitter / Mechanic
- Experience in electrics and diagnostics work an advantage.
- Full Irish Driving Licence
- Fluency in English, both spoken and written.
- Strong attention to detail
- Reliable
- Ideally, the successful candidate will have mechanical knowledge of and/or experience working with the plant equipment mentioned above
- Must be well organised to maintain a clean and orderly workshop.

## **Skills Required:**

- Ability to troubleshoot Electrical Faults and Wire Repair
- Mechanical Experience
- Familiarity of Diagnostic Tools to include troubleshooting and fault finding
- A positive can-do attitude
- Energetic self-starter with ability to work independently under pressure and react quickly to changing priorities whilst being aware of deadlines
- Attention to detail
- Confidence when dealing with suppliers, clients, directors, and colleagues professionally

**Advantageous but not essential:**

- Hydraulic Assembly would be an advantage
  - Experience in a similar role preferable
  - Forklift Operator (Training will be provided)
  - Qualified or Part-Qualified Auto Electrical Mechanic or Plant Fitter
- 
- **Salary:** Commensurate with experience and qualification - DOE
